

THE MISSING MIDDLE PUZZLE

(Color your own)

To Play:

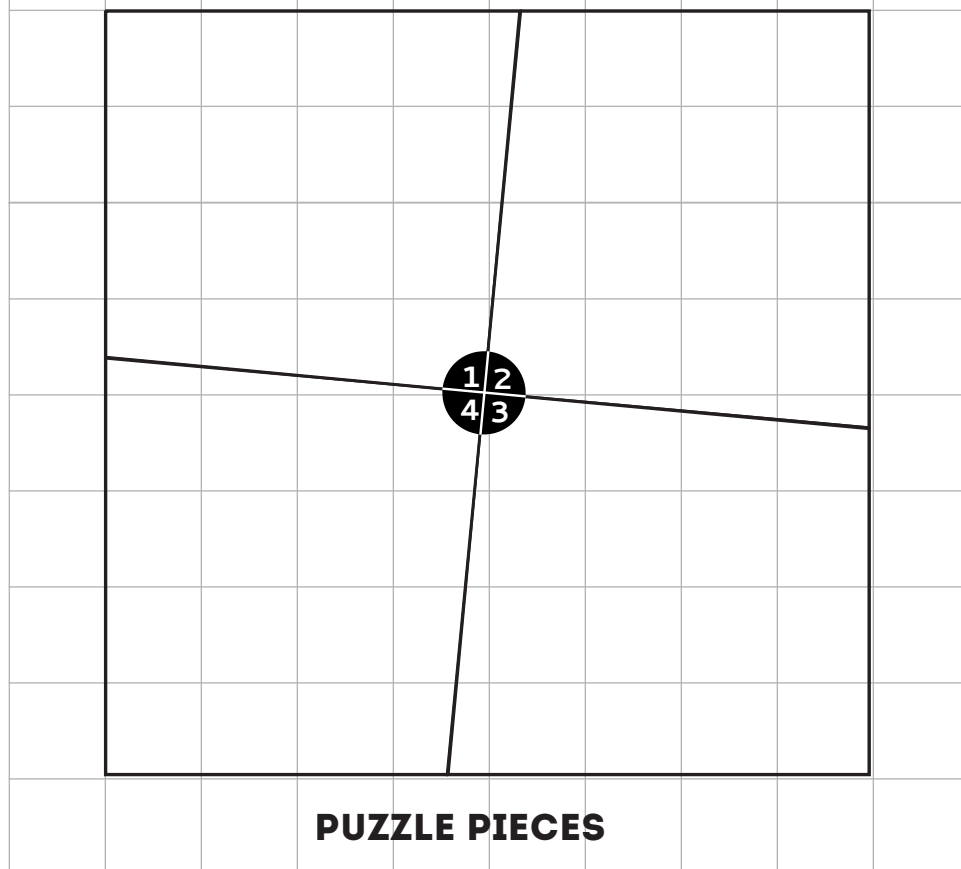

Step 1: Place the puzzle pieces within the square outline so that the black circle is at the center of the square.

Step 2: Now turn each puzzle piece to match it the corresponding number in the corner of the Puzzle Board.

Step 3: The center of the board is revealed!

But wait! Where did the missing section of the original puzzle go? Do you know the answer?

CUT

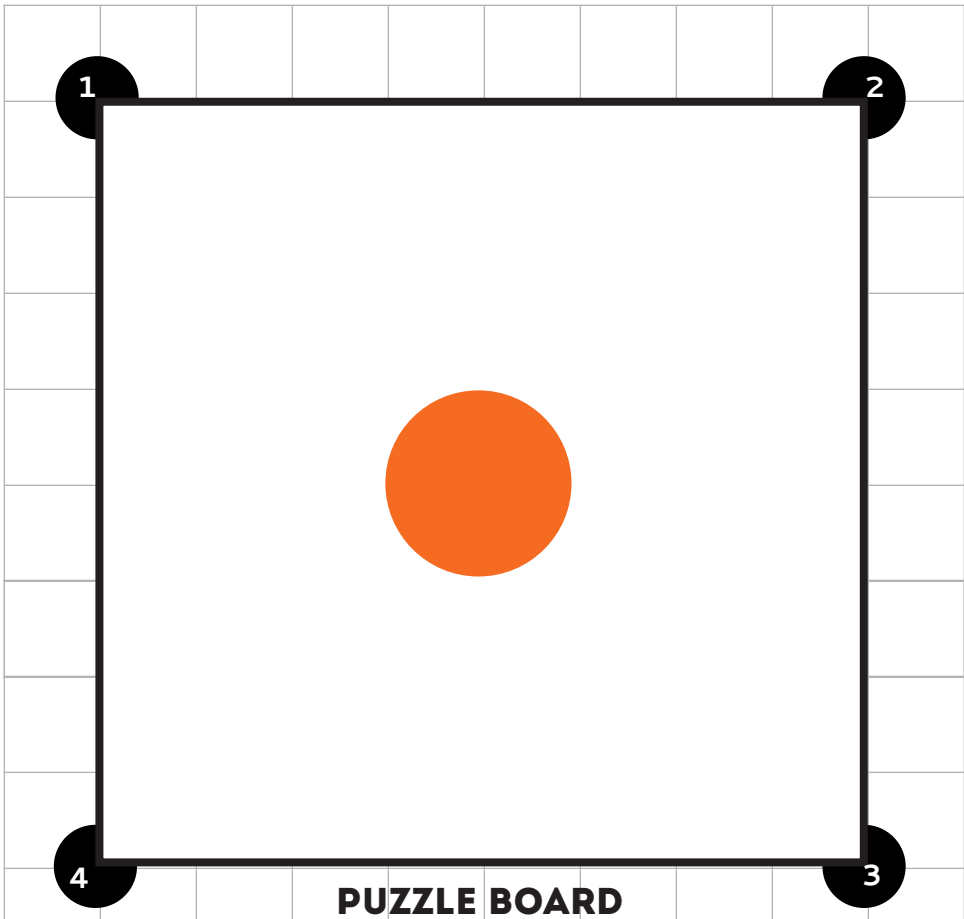

To Make:

Step 1: Print the template on cardstock.

Step 2: Color the center circle on the Puzzle Board. A bright color is preferred for visibility

Step 3: Color the four Puzzle Pieces. You may use the graph to help you plan your patterns or draw your own pattern. Geometric patterns work well for this puzzle.

Step 4: Cut paper in half to separate the board from the pieces. Cut out the Puzzle Pieces.
