

# jack-o-lantern pop-up card

## instructions:

1. Cut out card interior along thick solid line.
2. Fold each page along dashed line.
3. Cut out shape along bold solid line. Do not cut light dotted lines.
4. Gently fold shape edges along dotted lines. Set aside.
5. Cut out card back page and fold in half.
6. To assemble the card, glue the backside of the pop up card to the folded card back.
7. To make the shape "pop," fold the page IN along dashed lines and OUT along dotted lines.

**card interior**

**card back**
