instructions:

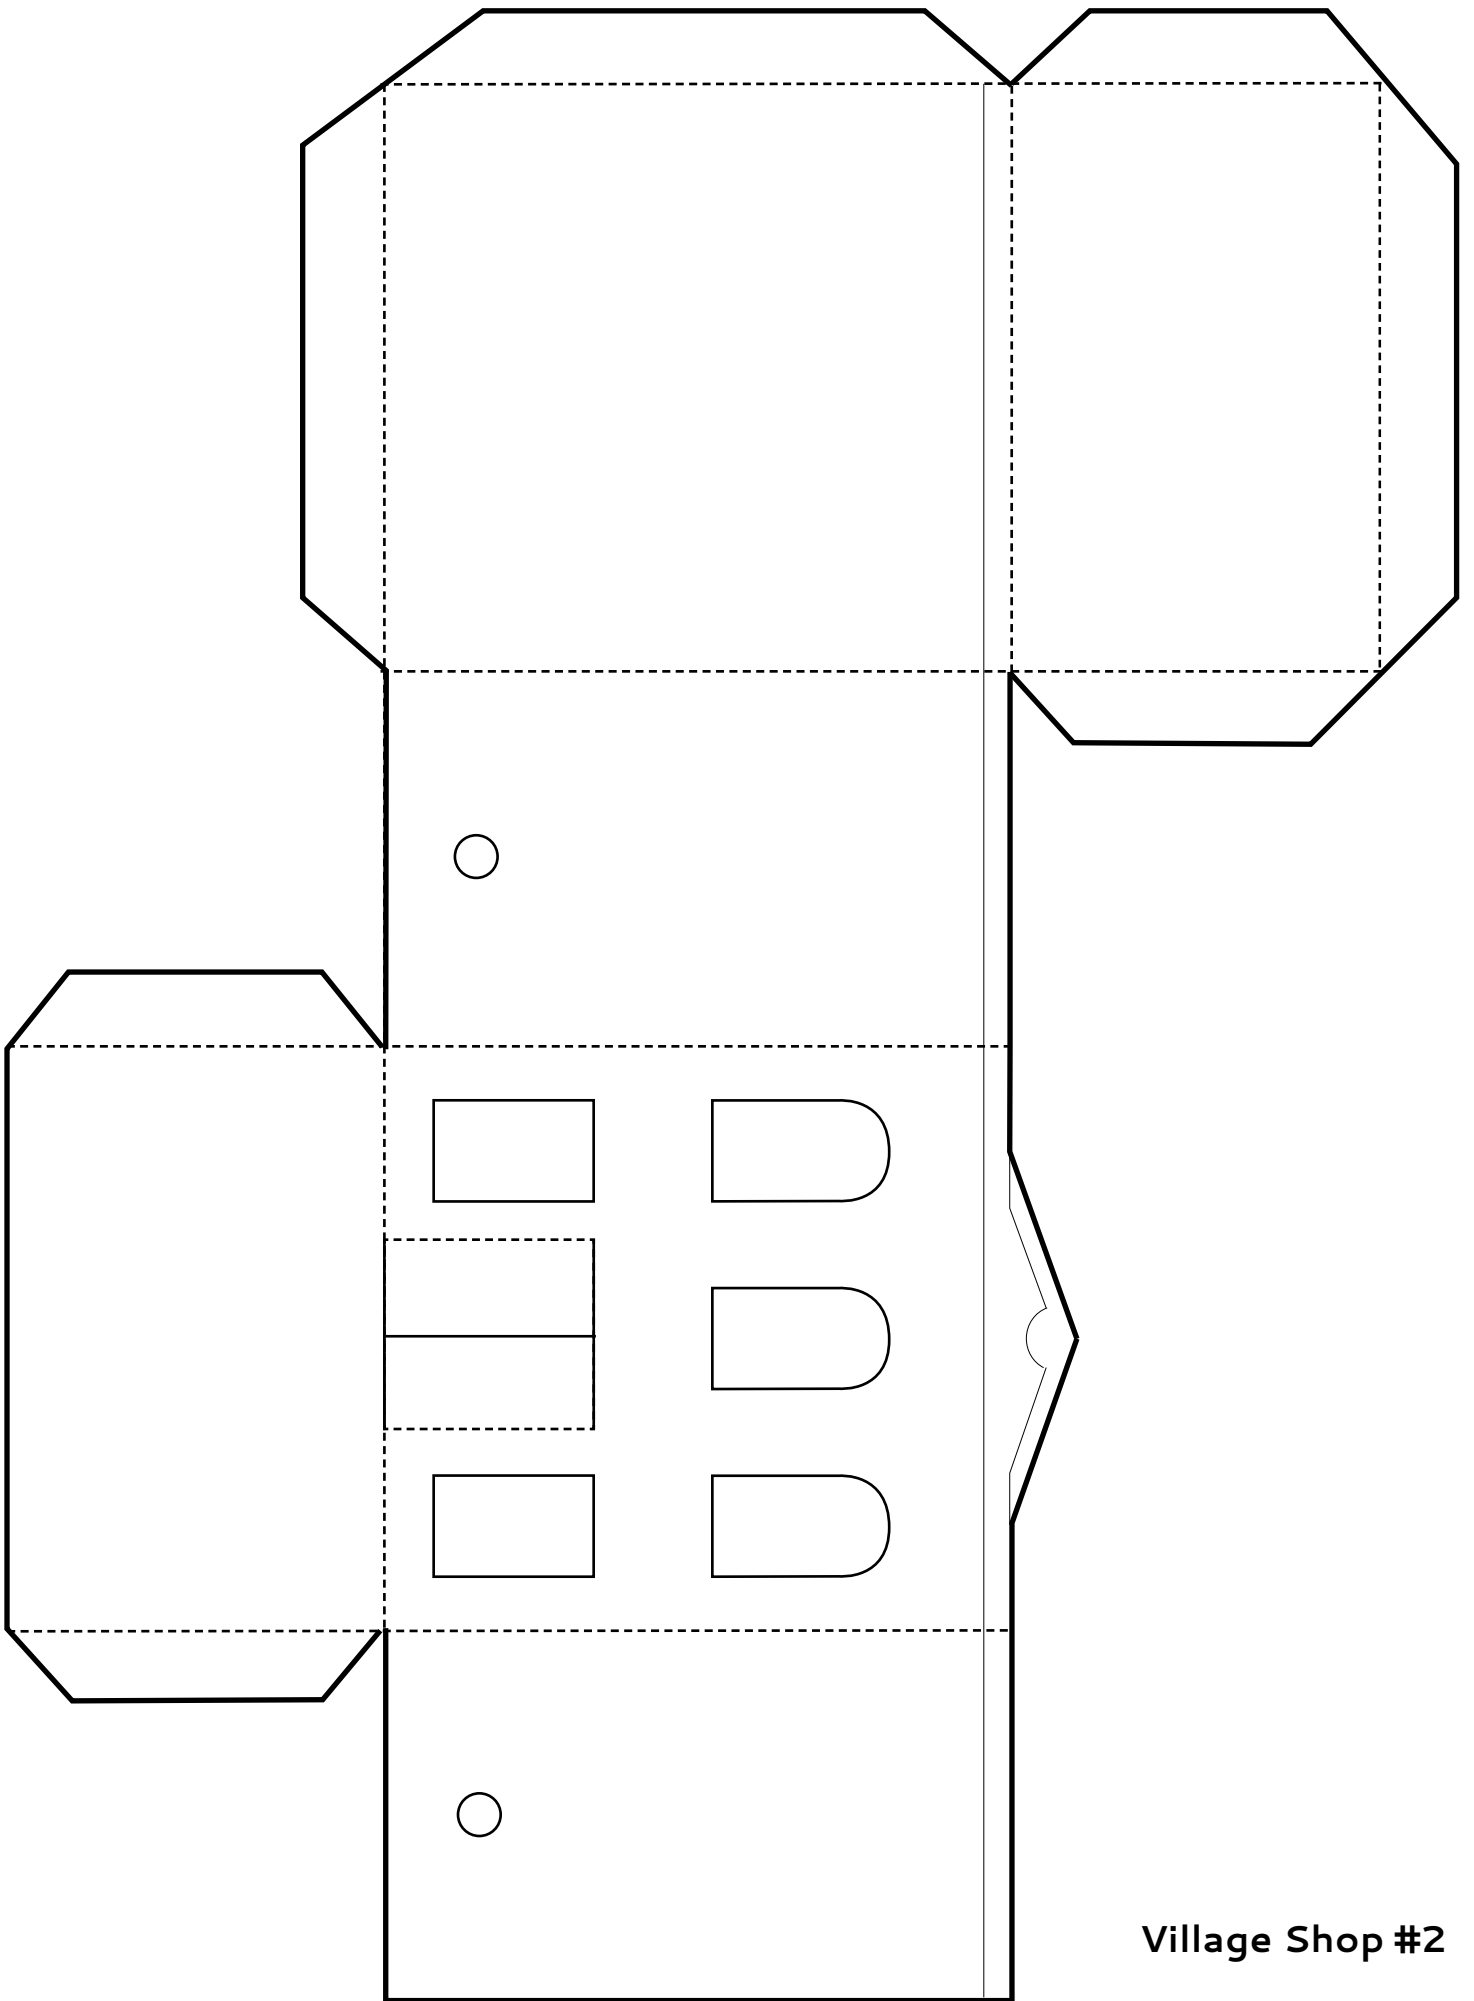

1. Print out the templates as follows: Print Page 2 on white cardstock or white glitter paper. Print pages 3–10 on glitter paper.
2. Cut out template along the thick solid lines.
3. Cut out the solid lines (windows/doors) with an Xacto knife and straightedge.
4. Punch holes on the building sides as marked.
5. Fold template along dotted lines.
6. Tape or glue the tabs to the template. You will need to use hot glue when using glitter paper.
7. Cut out signs. Hot glue signs to the front of buildings if desired.
8. Thread fairy lights through the holes in the sides of the buildings to light up your village!
